H2B, Inc. was founded in 2005 to provide Civil and Structural Engineering Services to our clients. H2B was founded on the principles of precise design, innovative solutions and client satisfaction.

Collaboration and communication are key; without these fundamentals, the project will likely encounter unnecessary challenges.

With an 80% repeat client base, our clients constantly tell us our responsiveness and willingness to 'think outside the box' on design are key.

H2B, Inc. is a Service-Disabled Veteran Owned Small Business
